What people appreciate about me

- I am a true ambassador of mirus' 'as a parent of a son with Autism and complex behaviour I am very understanding from a parental point of view'
- I am determined and don't give up.
- I am open and honest when things go wrong and celebrate what is really good.
- I am approachable and always interested to hear about what matters to everyone involved with **mirus**

How to get the best out of me

- Tell me about what really matters to the people we support and to our staff
- Allow me to ask questions, I like to get to the bottom of things.
- I will listen and when I fully understand you will get my full support

What is important to me as a Trustee of mirus

- That I get out and about to meet with and listen to people we support, our staff and families "Better Together"
- Helping people achieve something they are proud of
- That **mirus** does what it can to lobby the move for staff to receive appropriate pay for their profession and the great job that they do.
