mirus moments

Celebrating and recognising everyone's achievements

mirus moments is our way of recognising when people connected with mirus show that they believe in our values, which are; Together, Respectful, Responsible, Empowering, and Courageous.

If you see someone doing something great, you can use our online mirus moments nomination form to tell us about it, so that we can celebrate them too!

Nominations can be made by everyone, and be made about everyone, including; mirus staff, people supported, volunteers, organisations and other people from your local community.

Each month a person supported and a staff member from each region that we work in will be picked as a winner, and they will receive a prize. All nominations will go forward to our annual mirus stars awards, where even more people will win prizes at a big celebration event.

Make your nomination online

mirus stars

Our annual celebration event 'mirus stars' is coming back this Summer, so make your nomination online at bit.ly/miruswales before the end of May, and the person or people you nominate might win a prize.
